Congratulations:

You have been nominated as a candidate for the Dream Team for the 2019-2020 school year.

The DREAM TEAM is a N.C. High School Athletic Association sponsored student program and is co-sponsored by the athletic department at North Wilkes High School. The DREAM TEAM is the athletic leadership team at North Wilkes High School. The team serves as role models, participates in leadership activities and community/school service projects and tutors area youth at the feeder schools in the North district. The North Wilkes High DREAM TEAM is under the direction of Michael Greene.

The selection process is as follows:

1. You must be nominated by a coach. Nominations are solicited during the spring.
2. Once nominated, nominees are scored by a committee of teachers.
3. Grades are checked at the end of the school year. You must have a 3.3 GPA minimum.

5. The office checks the list against discipline referrals. OSS, ISS and detention can impact your selection.
6. You must fill out an application, return it on time and complete the interview process.
7. Once all data is collected, applicants are rank ordered and the selection is made.
